HIPPOCRATES

International Hospital

Practice Without Borders

Telemedicine Division

Operated by
Terra sin Frontera

Expand Your Reach. Empower Your Expertise.

We are redefining global healthcare through telemedicine. Our platform connects top-tier physicians with patients across continents, delivering trusted medical opinions, second diagnoses, and compassionate care without borders.

Join a movement that values your expertise, expands your reach, and connects you to a world of care.

Why Join Us

- *Zero Fees for the First 3 Months*: Whether you see patients or not, your onboarding period is completely free.
- *Ongoing No-Fee Policy*: Maintain just 1 patient per month, and you'll never pay platform fees.
- *Percentage-Based Earnings*: You earn based on consultations. No hidden costs, no subscriptions.
- *Global Patient Access*: Serve patients from around the world, right from your home or office.
- *Professional Autonomy*: You choose your schedule.

Whether you're expanding your practice, supporting patients abroad, or seeking meaningful global impact, this is your platform.

Your next patient could be anywhere!
